

InterTech Ireland aims to establish itself as a great resource for LGBT+ tech professionals via:

- connecting LGBT+ leaders to share ideas,
- promoting and sharing the introduction of diversity and inclusion initiatives,
- organising networking events,
- running tech-related educational events for the LGBT+ community,
- supporting fundraising for LGBT+ community and technology related charities.

Launch event: *Why Coming Out is Good Business*

- **300+ attendees from major tech companies,**
- Engage more straight allies in LGBT issues,
- **96% of Excellent/Very Good** rating on feedback survey,
- Cross-company networking opportunities for members (**90+ companies and NGOs**),
- National media coverage,
- Sponsored by: Airbnb (3000EUR), Google (1500EUR), Twitter.

Fundraiser event: *ShoutOut - Fight against homophobia in schools*

- **170+ attendees** from major tech companies and NGOs,
- Fundraised amount: **4500 EUR for ShoutOut,**
- **70+ companies and NGOs,**
- Sponsored by: Facebook (800EUR), Google (800EUR), Dropbox, Twitter, LinkedIn, Airbnb.

National Media Coverage of InterTech events:

Irish Independent 

“ (...) if InterTech's next event is half as good as their first, it will still be **excellent**.”

“ InterTech's Ireland inaugural event was impressive, not only because of the eloquence and charisma of the speakers and the great level of organisation, but because of the **diversity of the crowd**.”

“ InterTech Ireland have **set the bar high** for their next event, but with some of the Dublin tech sector's best and brightest behind the helm, things are looking bright and rainbow coloured.”
